

YOU ARE NOT ALONE

Freedom, one day at a time.

A free Christian app for anyone fighting pornography, built on grace, not shame.

A STRUGGLE MANY CARRY QUIETLY

The struggle is common. Grace is real.

Men and women, single and married, young and old. If this is your fight, you are not the only one, and you are not beyond God's help.

“No temptation has taken you except what is common to man. God is faithful, who will not allow you to be tempted above what you are able, but will with the temptation also make the way of escape, that you may be able to endure it.”

1 CORINTHIANS 10:13 (WEB)

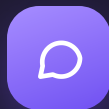

WHAT THE APP DOES

Protection, help and people, together.

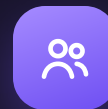

Blocks it first

Explicit sites, searches and apps are covered before they load, with a Bible verse in their place.

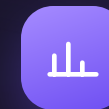

Help in the moment

An AI companion to talk to at any hour, and Worship Mode: a one-tap lockdown that points to prayer.

People who pray

A partner you choose, a moderated community and a prayer wall.

Growing daily

Streaks, a recovery plan, a journal, a daily verse and Bible reading plans.

PRIVACY

It blocks. It does not spy.

Recovery needs honesty and dignity. Your church leaders will never see your activity.

- ✓ **Nobody ever sees your screen** or your browsing history.
- ✓ **You choose your partner**, and they hear only what you choose to share.
- ✓ **Private messages** are end-to-end encrypted.
- ✓ **No reports to the church.** Using it stays between you, God and the people you choose.

HOW TO START

Four small steps, starting today.

1

Install it free

From Google Play, on an Android phone or tablet.

2

Turn on protection

The app walks you through it, one step at a time.

3

Choose one person

Someone you trust to walk with you and pray for you.

4

Talk to someone here

Our door is open. You do not have to carry this alone.

Free with ads (never on help or crisis screens), including the companion for 20 messages a day. Premium unlocks every AI feature, removes the daily limit, and adds App Blocker and Strict Mode. Billed by Google Play. No iPhone version.
